SKI WELL, BE WELL
Let’s work together to ski and ride safely

“When I am on the mountain this winter, I will be wearing a face covering and I’ll be practicing social distancing – it’s the least I can do to keep our ski areas open and my community safe.”

Mikaela Shiffrin, U.S. Ski Team, 2x Olympic gold medalist, 5x World Champion, passionate skier.

We all want to ski and ride. And we all need to follow guidelines to maintain the health and safety of you, our guests, our staff and our communities.

We’re doing our part:
• Face coverings are required
• Physical distancing will be in effect
• Daily employee wellness checks
• Increased cleaning and disinfection
• Following state and local regulations

Here’s how you can help us:
• Plan ahead so you know what to expect
• Wear your face covering
• Follow distancing protocols
• Arrive together, ride together
• Stay home if you feel sick
Ski areas have hundreds of acres of wide open spaces

Ski lifts allow for constant airflow as they travel, with rides lasting an average of 7 minutes

Skiing and snowboarding gear keeps faces and hands covered

Skiers and riders show respect by leaving space between each other on the slopes.

Recreation is proven to improve mental health and physical wellness

WE ARE A COMMUNITY

Skiing and snowboarding: Recreation with a low risk of transmission

So let’s be kind to one another. Respect yourself and others. Know that the actions we all take can affect our community. This is the contract of skiers and riders: take care of the environment, take care of yourself, take care of each other.
